Claudio ONGARO

Born in Milan in 1968, he graduated in Electronic Engineering at the Polytechnic of Milan and obtained a Master's Degree in Information Technology at CEFRIEL in Milan.

He has worked in the telecommunications sector throughout his career, holding managerial posts both in Italy and abroad, mainly in the United Kingdom, South America, Greece and the Middle East.

He joined TIM in November 2019 as M&A manager, coordinating the Group's extraordinary transactions. In April 2021 he took on the role of Wholesale Market Manager. In December 2021 he was appointed interim manager of the Chief Strategy & Business Development Office.

He began his career at Omnitel Pronto Italia in 1995, participating in the company's start-up and holding positions of increasing responsibility within the network field.

After an experience in the infrastructure services market, in 2003 he worked for Cable & Wireless as Group Technical Director of Mobile and later as Senior Director of Strategy. In 2007 he joined the Orascom Group, initially in the wireless broadband field and later in the subsidiary Wind Hellas as Chief Strategy Officer and Chief of Fixed Business.

From 2010 he worked for Wind Telecomunicazioni as Head of Strategy and M&A and subsequently, following the merger with H3G in 2016, at WindTre as CEO Office Director, responsible for coordinating the company's main strategic projects.

Claudio Ongaro holds 34,756 shares in TIM.

Simone DE ROSE

With a degree in Electronic Engineering from La Sapienza University of Rome, he has worked in the Information Technology and Telecommunications sector throughout his career, holding positions of responsibility in various sectors.

After joining TIM in 2001, he became Head of Information Technology for TIM and Telecom Italia for the development and maintenance of Consumer, Business, and Wholesale CRM systems and Billing & Credit Management systems. He also held the position of Head of Architectures, Client Management and subsequently of the Digital Services Solutions department.

Since 2019, he has been Head of Procurement for IT and ICT Business purchases. In December 2021, he was appointed interim head of the entire Procurement department

In his professional career, from 1993 he worked on Ericsson AB and Motorola Inc. projects as a software designer at Telesoft SpA and participated, from 1998 to 2000 in the start-up of WIND Telecomunicazioni.

Simone De Rose holds 39,489 shares in TIM.
