TIM: CLARIFICATIONS TO MEDIA SPECULATIONS

Rome, 31 July 2022

With reference to allegations in the press about managers leaving TIM's top management, the company clarifies that it has not made any announcement on the matter at the present time. More generally, allusions about exits dictated by disagreements with the company's strategic line, which continues as planned, led by a renewed, cohesive management team focused on the objectives to be achieved, are to be rejected.
