

For Immediate Release

Mineworx Mourns the Passing of Former Director Harry McKinders

Surrey, B.C., Canada – March 31, 2020 Mineworx Technologies Ltd., (the "Company" or "Mineworx") (TSXV: MWX) (OTCQB: MWXRF) (FSE: YRS WKN: A2DSW3) is sad to announce the passing of former Board of Directors member, Harry McKinders on March 30, 2020 at age 83.

Mr. McKinders joined the Company (then Solid Resources) in 1995 and served as a Director from 1998 until 2014, then continued his services to the Company as a consultant. Mr. McKinders had broad experience in the investment field and provided consulting services to numerous public and private companies over his career.

The management and directors of Mineworx Technologies are deeply saddened to hear of Harry's passing. Harry's wealth of knowledge, network and expertise in the public market made an invaluable contribution to our company. The entire team of Mineworx extend our heartfelt condolences to his family during this difficult time. Harry will be greatly missed by his many friends, family and shareholders.

About Mineworx

Mineworx is positioned for growth through partnerships with advanced mining and e-Waste opportunities utilizing its licensed patented cyanide-free precious metals extraction formula and patented portable extraction technologies. These three innovations will increase and enhance business opportunities by deploying cost effective, environmentally friendly extractive metallurgy solutions.

Neither the TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.
