("Trius Disposal") and Trius Leasing Ltd. ("Trius Leasing"), in consideration of the issuance of 4,000,000 Common Shares of the Corporation. The 4,000,000 Common Shares of the Corporation were issued for a deemed value of $0.20 per share. The total number of issued and outstanding shares after this issuance is 8,100,000. Trius formerly operated under the name Cando Capital Inc. (ASE Symbol "CKP") and has changed its name to Trius Investments Inc. to reflect its ownership in Trius Disposal and Trius Leasing as wholly-owned subsidiaries. In addition, Trius has added a new director to its Board, Mr. John Robertson, a certified general accountant.

The combined average net income, after taxes, for the three year period (1996-1998) for the two companies acquired was $128,000 per year. The projected net income for the year ended December 31, 1999 is $113,000.

The main business of Trius Disposal is currently the collection of residential garbage and recyclable materials in the New Brunswick area, including the municipality of Fredericton. Trius Disposal presently has a staff of approximately 15 persons operating a fleet of 16 disposal/recycle trucks. Contracting with local government and councils, Trius Disposal collects general refuse and recyclable products for disposal at central landfills which are managed by public commissions. In addition to operating a garbage collection service, Trius Disposal markets and distributes the Trius "Dolly", a durable 360 litre polyethylene residential garbage container on wheels.

Trius Leasing operates a private, non-retail automotive rental and leasing business that focuses upon identifying and filling niche vehicle orders for specialized business and governmental organizations.
