### About Psyched Wellness Ltd.:

Psyched Wellness Ltd. is a Canadian-based health supplements company dedicated to the distribution of mushroom-derived products and associated consumer packaged goods. The Company's objective is to create premium mushroom-derived products that have the potential to become a leading North American brand in the emerging functional food category. The Company is in the process of developing a line of *Amanita muscaria*-derived water-based extracts, teas and capsules designed to help with three health objectives: the promotion of stress relief, relaxation and assist with restful sleeping.

### Cautionary Note Regarding Forward-looking Information

This press release contains "forward-looking information" within the meaning of applicable Canadian securities legislation. Forward-looking information includes, but is not limited to, statements with respect to the Company's participation in H.C. Wainwright's Psychiatry and Beyond Virtual Conference and the timing thereof, the Company becoming a North American leader in the emerging functional mushroom food category and the Company's goals, objectives and future business plans and products. Generally, forward-looking information can be identified by the use of forward-looking terminology such as "plans",

"expects" or "does not expect", "is expected", "budget", "scheduled", "estimates", "forecasts", "intends", "anticipates" or "does not anticipate", or "believes", or variations of or the negative of such words and phrases or state that certain actions, events or results "may", "could", "would", "might" or "will be taken", "occur" or "be achieved". Forward-looking information is subject to known and unknown risks, uncertainties and other factors that may cause the actual results, level of activity, performance or achievements of the Company, as the case may be, to be materially different from those expressed or implied by such forward-looking information. Although the Company has attempted to identify important factors that could cause actual results to differ materially from those contained in forward-looking information, there may be other factors that cause results not to be as anticipated, estimated or intended, including the Company not participating in H.C. Wainwright's conference, and the inability of the Company to reach commercial production, produce products that meet its objectives and/or the inability of the Company to become a North American leader in the emerging functional mushroom food category. There can be no assurance that such information will prove to be accurate, as actual results and future events could differ materially from those anticipated in such statements. Accordingly, readers should not place undue reliance on forward-looking information. The Company does not undertake to update any forward-looking information, except in accordance with applicable securities laws.
