Quadro Resources Ltd. ("Quadro" or "the Company") (NEX: QRO.H) is pleased to announce the conditional acceptance of its reactivation from the NEX board to the TSX Venture Exchange (the "Reactivation") and the conditional acceptance of the option to acquire a 100% interest in the interest of Benton Resources Inc. ("Metals Creek") in the Staghorn property, located in Newfoundland and an assignment of Benton's and Metal Creek's rights to acquire the newly optioned Rose Gold property (the "Option") pursuant to the terms of the option agreement Quadro has with Benton and Metals Creek (the "Quadro Option Agreement"). The Rose Gold property is contiguous with the northern border of the Staghorn property, and is further described in the Company's press release of April 12, 2017.
