

Grid Metals Retains Emerging Markets Consulting LLC for Investor Relations Advisory Services

Toronto, Ontario, September 2, 2021 – Grid Metals Corp. (TSXV:GRDM) (OTCQB:MSMGF) ("Grid " or "Company"), a battery metals exploration and development company, is pleased to announce that Emerging Markets Consulting, LLC (EMC) has been retained to provide investor and public relations services. EMC specializes in helping small and mid-sized public companies establish brand awareness and increase market share to its customer base while improving visibility to the institutional and retail investment community.

“With the rapidly developing market for nickel, copper, cobalt, and lithium in electric vehicles and greentech and its strong portfolio of properties Grid will benefit from rising awareness of its potential” said Robin Dunbar President and CEO of Grid.

James Painter, President of EMC, said, “We are pleased to work with Grid. We have conducted our due diligence on the Company and have been very impressed with the management, share structure and overall business strategy.”

About Emerging Markets Consulting LLC

Based in Orlando, Florida, Emerging Markets Consulting, LLC (EMC) brings over 40 years combined experience in the investor relations industry. EMC is an international investor relations firm with affiliates around the world. EMC is relationship-driven and results-oriented with the goal of seeking attractive emerging companies and concentrating its resources and efforts to serve a limited number of high-quality clients.

For more information, visit EMC’s website at www.emergingmarketsllc.com Under the terms of the agreement EMC will be paid a total of US\$60,000 for the 2 month term of the engagement. Source of funds is the working capital of the Company. .
