Item 4: SUMMARY OF MATERIAL CHANGE

Effective March 10, 2005 all of the issued and outstanding shares of Standard Uranium were acquired by Energy Metals Corporation and its shares have been halted and will be delisted from the TSX Venture Exchange.

Item 5: FULL DESCRIPTION OF MATERIAL CHANGE

Effective March 10, 2006, all of the issued and outstanding shares of Standard by way of plan of arrangement under the laws of British Columbia were acquired by Energy Metals Corporation. In order to complete the transaction, Standard obtained shareholder approval and court approval, which were both obtained on March 10, 2006. Pursuant to the plan of arrangement, Energy Metals has acquired all of the issued and outstanding common shares of Standard, on the basis of 0.64 common shares of Energy Metals for each common share of Standard. In addition Energy Metals exchanged all of the outstanding employee stock options of Standard for employee stock options of Energy Metals, with appropriate adjustments to the number of shares issuable on exercise and the exercise price.

The shares of Standard have been halted and will be de-listed from the TSX Venture Exchange. The new board of directors of Standard consists of Paul Matysek, William M. Sheriff and James G. G. Watt. In connection with the acquisition of Standard, Mr. David Cole was appointed to the board of directors of Energy Metals.

Shareholders of Standard may exchange their Standard share certificates for share certificates of Energy Metals by submitting them to Pacific Corporate Trust Company along with a completed Letter of Transmittal in the form being provided to the holders of Standard share certificates.

Standard shareholders who voted at the meeting approved the transaction by a majority of 99.72% on the resolution. There were 12,245,612 shares represented at the meeting.
