Re: Clarke Inc. (the "Company")
Notice Regarding Annual Information Form (NI 51-102F2)

We are counsel to the Company. On behalf of the Company, we hereby give notice that the Company's Revised Annual Information Form dated as of November 8, 2005 was filed under the System for Electronic Document Analysis and Retrieval (SEDAR) on November 9, 2005 under project number 760118 submission number 2 and Filing Type "Annual Information Form (NI 51-102)", and that the Company is relying on that filing to satisfy the requirements for filing Annual Information Forms under and pursuant to National Instrument 44-101.

Please advise should you require anything further.

Dated: November 9, 2005
