October 25, 2018 - Surrey, BC

Larry W. Reaugh, President and Chief Executive Officer of American Manganese Inc. ("American Manganese" or "AMY" or the "Company"), (TSX.V: AMY; OTC-US: AMYZF; FSE: 2AM), is pleased to announce that the Company will be exhibiting and meeting with potential investors in booth 229 at the New Orleans Investment Conference that will be held at the Hilton New Orleans Riverside on November 1-4, 2018.

About American Manganese Inc.

American Manganese Inc. is a diversified specialty and critical metal company focused on capitalizing on its patented intellectual property through low cost production and recovery of electrolytic manganese products throughout the world, and recycling of spent electric vehicle lithium ion rechargeable batteries.

Interest in the Company's patented process has adjusted the focus of American Manganese Inc. toward the application of its patented technology for other purposes and materials. American Manganese Inc. aims to capitalize on its patented technology and proprietary know-how to become the industry leader in recycling spent electric vehicle lithium ion batteries and recovering 100% of the cathode metals such as: Lithium-Cobalt, Lithium-Cobalt-Nickel-Manganese, Lithium-Cobalt-Aluminum and Lithium-Manganese ([Please see the Company's July 25, 2018 Business Plan for further details](#)).
