GENERAL PROXY INFORMATION

Solicitation of Proxies

All costs of solicitation by management will be borne by the Company. In addition to the solicitation of proxies by mail, directors, officers and employees may solicit proxies personally, by telephone or facsimile, but will not receive compensation for so doing.

Appointment of Proxyholder

The individuals named in the accompanying form of proxy (the "Proxy") are directors ("Directors") or officers ("Officers") of the Company and were designated by management of the Company (the "Management Proxyholder"). **A shareholder wishing to appoint some other person who need not be a shareholder to represent the shareholder at the Meeting has the right to do so, by striking out the names of those persons named in the accompanying form of Proxy and inserting such other person's name in the blank space provided in the form of Proxy or by completing another form of Proxy.**

Shareholders may wish to vote by Proxy whether or not they are able to attend the Meeting in person. Shareholders electing to submit a Proxy may do so by completing, dating and signing the enclosed form of Proxy and returning it to the Company's transfer agent, Endeavor Trust Corporation by fax at 604-559-8908 or by mail or hand delivery to Endeavor Trust Corporation, #702 - 777 Hornby Street, Vancouver, BC, V6Z 1S4.

A Proxy will not be valid unless the completed, dated and signed form of Proxy is received by Endeavor Trust Corporation not less than 48 hours (excluding Saturdays, Sundays and holidays) before the time of the Meeting, or any adjournment thereof.

Revocation of Proxy

A shareholder who has given a Proxy may revoke it by an instrument in writing which is:

- a) executed by the shareholder or by the shareholder's attorney authorized in writing or, where the shareholder is a company, by a duly authorized officer or attorney of the company; and
- b) delivered to either:
 - i) Endeavor Trust Corporation, #702 - 777 Hornby Street, Vancouver, BC, V6Z 1S4 at any time up to and including the last business day preceding the day of the Meeting or any adjournment thereof, or
 - ii) the chairman of the Meeting on the day of the Meeting or any adjournment thereof.

Only registered shareholders have the right to revoke a Proxy. Non-registered holders who wish to change their vote must, at least seven days before the Meeting, arrange for their respective Intermediaries (as defined below) to revoke the Proxy on their behalf. A revocation of a Proxy does not affect any matter on which a vote has been taken prior to the revocation.

Exercise of Discretion by Proxyholders

Shares represented by properly executed Proxies in favour of persons designated in the enclosed form of Proxy will, where a choice with respect to any matter to be acted upon has been specified in the form of Proxy, be voted in accordance with the specification made. In the absence of any such specification, the Proxy will be voted as recommended by Management. Where directions are given by the shareholder in respect of voting for or against any resolution, the proxyholder will do so in accordance with such direction.

The enclosed form of proxy, when properly signed, confers discretionary authority upon the person named therein as proxyholder with respect to amendments or variations to matters which may be properly

brought before the Meeting. At the date of this Information Circular, management of the Corporation knows of no such amendments, variations or other matters to come before the Meeting. However, if any other matters, which are not now known to Management, should properly come before the Meeting, then the Management designees intend to vote in accordance with the judgment of Management.

Non-Registered Holders

Only registered shareholders or duly appointed proxyholders are permitted to vote at the Meeting. Most shareholders of the Company are “non-registered” shareholders (“Non-Registered Holders”) because the shares they own are not registered in their names but are instead registered in the name of (a) a brokerage firm, bank, trust company, trustee or administrator of self-administered RRSPs, RRIFFs, RESPs and similar plans; or (b) a clearing agency such as CDS & Co. (any of the foregoing, an “Intermediary”). **If you are a Non-Registered Holder, your shares can only be voted by the Intermediary in accordance with instructions received from you.**

In accordance with securities regulatory policy, the Company has distributed copies of the Notice, this Information Circular and the Proxy (collectively, the “Meeting Materials”) to the Intermediaries for distribution to Non-Registered Holders. Each Intermediary has its own form of proxy and mailing procedures. Therefore, **if you receive the Meeting Materials from an Intermediary, you should carefully review the voting instructions provided by your Intermediary to ensure that you direct the voting of your shares in accordance with those instructions.**

The majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Investor Communications (“Broadridge”), who typically sends a voting instruction form (“VIF”) to Non-Registered Shareholders requesting them to provide voting instructions. **Please note a Broadridge VIF cannot be used to vote directly at the Meeting. If you are a Non-Registered Shareholder with a Broadridge VIF, you must follow the procedures set out by Broadridge, well in advance of the Meeting, for voting directly at the Meeting.**

Non-Registered Shareholders who wish to attend the Meeting and indirectly vote as proxyholder for the registered shareholder should contact their Intermediary well in advance of the Meeting to determine the steps necessary to permit them to indirectly vote their Shares as a proxyholder.

VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

The Company's authorized capital consists of an unlimited number of common shares without par value (the “Shares”). As at June 1, 2022 (the “Record Date”), there were 248,026,347 Shares issued and outstanding. Each share carries the right to one vote.

Any shareholder of record at the close of business on the Record Date who either personally attends the Meeting or who has completed and delivered a Proxy in the manner specified herein, subject to the provisions described above, shall be entitled to vote or to have such shareholder's shares voted at the Meeting.

To the best of the knowledge of the Directors or executive Officers, no persons beneficially owns, directly or indirectly, or exercised control or direction over, Shares carrying more than 10% of the voting rights attached to all outstanding Shares.

DIRECTOR AND NAMED EXECUTIVE OFFICER COMPENSATION

Oversight and Determination of Compensation

The Board as a whole has the responsibility of determining compensation for directors and senior management. The Board determines the compensation package for each NEO once a year, and due to the small size of the Company, the determination is based on the Directors' collective business experience and

judgment rather than through a formal process with objective measures. Although no identifiable “peer group” is used as a compensation benchmark, the Board generally attempts to set each NEO’s compensation to be commensurate with industry compensation of a similarly ranked executive.

In general, the Company’s NEOs (defined below) may receive compensation that is a combination of (i) salary, wages or contractor payments; (ii) stock option grants; and (iii) bonuses, if any. No element of compensation is tied to a specific goal or performance criteria.

Director & NEO Compensation, Excluding Securities

The following table sets forth the particulars of compensation, excluding stock options and other compensation securities, paid to NEOs for the Company’s two most recently completed financial years. NEOs are comprised of:

- a) each individual who, in respect of the company, during any part of the most recently completed financial year, served as chief executive officer (“CEO”), including an individual performing functions similar to a CEO;
- b) each individual who, in respect of the company, during any part of the most recently completed financial year, served as chief financial officer (“CFO”), including an individual performing functions similar to a CFO;
- c) in respect of the Company and its subsidiaries, the most highly compensated executive officer other than the individuals identified in paragraphs (a) and (b) at the end of the most recently completed financial year whose total compensation was more than \$150,000, as determined in accordance with subsection 1.3(5) of Form 51-102F6V, for that financial year; and
- d) each individual who would be a NEO under paragraph (c) but for the fact that the individual was not an executive officer of the company, and was not acting in a similar capacity, at the end of that financial year.

Furthermore, Directors are frequently reminded to consider whether they are in a conflict of interest by virtue of serving as directors or officers in other companies or holding an interest in a transaction or agreement. A Director in such circumstances is advised to disclose his or her interest in a transaction or agreement, and if the Board considers the interest to be material, such Director must abstain from discussing and voting on the matter.

Nomination of Directors

Given the small size of the Company and its stage of development, the Board has not appointed a nomination committee or put in place formal procedure for the identification of potential Board candidates. Since the size of the Board is limited, the functions of such a committee can be served by the Board as a whole.

Compensation

The Board as a whole determines the compensation of the Directors and the CEO. In setting compensation, the Board is guided by the nature of the Company's business, the Company's size and stage of development, current industry practices and the resources available to provide compensation. The Board will from time to time seek out the compensation policies of other comparable companies to ensure that the Company is able to attract and retain its directors and officers. Currently, it is the Board's policy to compensate its Directors and CEO with equity options in order to align the interest of Directors with those of the Company's shareholders.

Other Board Committees

The Company has no committee other than its Audit Committee at this point.

Assessments

Members of the Board are expected to continually evaluate the effectiveness of the Board, its committees and fellow Directors by considering the accomplishment, or lack thereof, of the Company's goals. Furthermore, the Board is of the view that the Company's shareholders are the most important assessors of Board performance and that they provide the most effective, objective assessment of the Board's performance.
