INFO TOUCH ANNOUNCES MANUFACTURING, LICENSING AND MARKETING AGREEMENT WITH INTERACTIVE TECHNOLOGIES, HONG KONG

BURNABY, BC, March 15, 2000. Hamed Shahbazi, Chairman and CEO of Info Touch Technologies (CDNX: IFT) is pleased to announce that Info Touch Technologies has closed a Manufacturing, License and Marketing Agreement with Interactive Technologies Limited, a division of the Intertech Group, Hong Kong. This agreement is a major milestone in the development of Info Touch where the Company evolves from a manufacturing and solutions provider to the leading licensor of advanced technology solutions, to the kiosk world. This agreement provides Info Touch with strong international marketing developments with residual licensing revenue and manufacturing expertise.

Under the terms of this three-year agreement, Interactive Technologies will manufacture, integrate, distribute and market kiosks exclusively based on Info Touch Technologies platform. Interactive marketing efforts are to procure, manufacture and sell at least 1,000 units in Year One, 3,000 units in Year Two and, 5,000 units in Year Three, globally except for Iran, United Arab Emirates, United States and Canada. In exchange for licensing its intellectual property, Info Touch will receive:

1. five- percent Royalty Fee (based on the gross price charged by Interactive),
2. $300 USD software fee,
3. $52 USD software license fee of per unit, per year, and,
4. Service Package A, minimum $10, maximum $20.

Mr. Shahbazi is delighted with the announcement saying, "This new strategic relationship will provide Info Touch with the contact base globally, required to launch our technology to a client base not seen before in this industry. The Info Touch/Interactive relationship will be the defining alliance in our industry, and I cannot imagine a stronger combination. This agreement now enables Info Touch to more aggressively target its knowledge-based activities".

Intertech Group Limited is a Hong Kong based holding company, formed to identify, fund and grow leading Internet related solution providers. Interactive's focus is to provide public Internet access through internet kiosk terminals. The company's core competency is leveraging from a depth of international and operational experience of the IGL founders, executives, and board members.

This transaction is subject to Canadian Venture Exchange approval.

Info Touch is the clicks n' mortar provider, bringing the Internet to public domain in a secure environment. The Company has developed the world's premier kiosk security and management software package, Surfnet™. Info Touch partners with, and provisions Fortune 1000 companies with Public Internet/Intranet access through IFT designed middleware and clicks n' mortar solutions.

As "dot coms" and brick-based companies business models gyrate toward the Internet/Intranet, Info Touch Technologies becomes the sought-after clicks n' mortar Convergence Company.

On behalf of the Board of Directors,

"Hamed Shahbazi"
Hamed Shahbazi,
