5. Full Description of Material Change

Hamed Shahbazi, Chairman and CEO of Info Touch Technologies Corp. and Dan Soper, Senior Vice President of Operations Chapters, Inc. (TSE: CHP), are pleased to announce the successful deployment of Info Touch's Internet-enabled kiosks at Chapters stores across Canada. This strategic alliance, established in May 2000, is one of the largest retail deployments of Internet kiosks in Canadian retail, with over 300 terminals in 77 Chapters stores. The program brings together Info Touch's state-of-the-art Surfnets Premiere software and Chapters award-winning bookstores, which attract among the highest retail foot traffic in Canada.

In a recently released survey conducted by Chapters and Info Touch, over 5200 Chapters customers responded between October and December 2000, indicating they frequently use Chapters' cyber cafés to access chapters.ca and other e-commerce sites, browse the Internet, and send/receive e-mail.

The demographic statistics from the survey indicate:

- 43% of Internet kiosk users are female; 57% are male;
- about 90% of users have Internet access available outside the Chapters network;
- 50% of respondents have used Chapters' cyber cafés to purchase products online;
- 39% of users have used Chapters' cyber cafés to make reservations online;
- 63% of respondents had never used an Internet-enabled kiosk before using one in a Chapters' cyber café;
- 37% of users visit a Chapters Store specifically to use the kiosk; 63% use the kiosk as part of their in-store shopping experience;
- 80% of respondents would visit a Chapters Store again to use a kiosk.
