

This is the form of material change report required under Section 85(1) of the Securities Act.

FORM 27

SECURITIES ACT

MATERIAL CHANGE REPORT UNDER SECTION 85(1) OF THE ACT

1. Reporting Issuer

Info Touch Technologies Corp.
4660 Dawson Street
Burnaby, BC
V5C 4C3

2. Date of Material Change

February 6, 2002

3. Press Release

February 6, 2002

4. Summary of Material Change

Info Touch Technologies Corp. announced deployment at selected Discovery Channel Stores of web-enabled interactive kiosks to serve as access points to entertaining and educational products.

5. Full Description of Material Change

Info Touch Technologies Corp. announced deployment at selected Discovery Channel Stores of web-enabled interactive kiosks to serve as access points to entertaining and educational products.

The Discovery Channel Stores kiosk initiative marks a seamless integration of web and store product inventory powered by Info Touch's Surfnet technology. This technological initiative provides Discovery Channel Store outlets with an interactive sales tool that allows customers to access additional inventory of specialty gifts, connect directly to discoverystore.com, and see previews to over 700 videos.

About Info Touch

Info Touch, North America's leading kiosk technology company, creates Internet-based kiosk applications to extend the reach and product offerings of traditional bricks-and-mortar businesses. Established in 1997, Info Touch delivers its superior public access kiosk technology by identifying and exploiting opportunities that exist between traditional businesses and online ventures. Current Info Touch clients include Cable and Wireless

(Caribbean), MCI WorldCom, Telecom Mexico, Telmex, Chapters Indigo Bookstore, Future Shop / Best Buy, Macs/Couchetard, Chase Manhattan Bank, the U.S. Army, Marines Corps and Navy.

About Discovery Communications Inc.

Discovery Communications, Inc. (DCI) is the leading global real-world media and entertainment company. DCI has grown from its core property, the Discovery Channel, first launched in the United States in 1985, to current global operations in 152 countries with over 500 million cumulative subscribers. DCI's programming is tailored to the specific needs of viewers around the globe, and distributed through 77 separate feeds in 33 languages. DCI's 33 networks of distinctive programming represent 14 entertainment brands including TLC, Animal Planet, Travel Channel, Discovery Health Channel, Discovery Kids, and a family of digital channels. Discovery's Consumer Products division comprises nearly 170 Discovery Channel Stores throughout the U.S., a robust e-commerce business, the Discovery Channel Catalog, as well as a licensed products, video and book business and a number of educational initiatives through Discoveryschool.com. DCI also distributes BBC America in the United States.
