Prospera Law Announces Completion of Management Services Agreement with Silver Spruce Resources SSE-V

HALIFAX, NS--(Marketwired - October 20, 2016) - Prospera Law is pleased to announce that effective today, Prospera Law has completed its agreement to provide management services for Silver Spruce Resources ("SSE-V") (TSX VENTURE: SSE). Prospera Law has been providing management services for SSE-V since February 2015, during which time, the Board of Directors was rebuilt, the balance sheet position improved and a strong viable mining project acquired in Mexico for future prospective growth.

The President of Prospera Law, Stephan Jedynak, stated: *"This is an exciting time for SSE-V which needs the management in place that allows it to get down to the business of mining and with the sound fundamentals in place today, SSE-V, is ideally placed to work in a reinvigorated small cap mining sector."*

Prospera Law offers legal and management services for public and private corporations in distress that require sound structured management for effective turn around success.
