Executive Inn Group Corporation Completes Acquisition of 19.1% of HARS Systems Inc. to Become a Worldwide Reservation Provider

VANCOUVER, BRITISH COLUMBIA--Executive Inn Group Corporation. ("Executive Inn") is pleased to announce that on January 25, 2000 it completed its purchase of 4 million shares of HARS Systems Inc. through its wholly owned subsidiary Executive Inn Inc. to own 19.1% of the worldwide reservation and marketing company with over 3400 properties.

The company financed the acquisition through a loan from Terra Firma Developments Ltd. for \$2.1 million CAD and in house cash flow. Terra Firma Developments Ltd. is a private Washington state company of which Noordin Sayani is the President and a director and Salim Sayani a shareholder. Salim Sayani is also a principal shareholders of Executive Inn Group Corporation. The loan carries interest and terms at prevailing commercial rates and conditions.

Executive Inn Group Corporation, with this acquisition, intends to further its brand development and increase the value of its shareholdings. From time to time, Executive Inn Inc. may consider further acquisitions of shares in HARS Systems Inc.

Salim Sayani, President of EIG, noted " The completion of this landmark deal positions the Executive Inn brand and the Executive Reward Loyalty program for tremendous potential growth within the North American hotel and travel industry.

Executive Inn is a hotel branding, marketing and management company, engaged in the development of hotel licensing agreements under the Executive Inn Hotels & Suites brand name. Executive Inn Hotels & Suites is a rapidly growing hotel chain with seventeen premiere hotels open or under development with over 2200 guestrooms in North America.
