

Wayland Update on 3:1 reverse stock split & AGM Results

TORONTO, Dec. 21, 2018 -- Wayland Group (CSE:WAYL) (FRANKFURT: 75M) (OTCQB:MRRCF) ("Wayland" or the "Company") announces that the Company will no longer consider a 3:1 reverse stock split that had been previously communicated.

The Company removed the item from the AGM ballot today held in Langton, Ontario, as the previously announced strategic review the Company is undergoing will take priority.

"The Company is on the cusp of realizing a number of its objectives and we would not be in this position without the support of our shareholders. As we look into 2019 and beyond, the building blocks are in place for the Company to capitalize on cutting-edge technologies and the further expansion of cannabis markets around the world," stated Ben Ward, CEO Wayland.

All other items that were tabled for a shareholder vote were passed and have been put into effect by the Company.

Maricann Group Inc., through its subsidiaries, is operating under the Wayland Group name. For further details see the press release dated September 24, 2018.
