**ACL INTERNATIONAL LTD. ANNOUNCES EXECUTION OF LETTER OF INTENT TO  
ACQUIRE ADDITIONAL INDONESIAN OIL AND GAS ASSET**

Calgary, Alberta, Canada, Thursday, February 2, 2015 – Further to the announcement on December 18, 2014 regarding the proposed acquisition by ACL INTERNATIONAL LTD. (Trading Symbol: ACL.H); (the “**Corporation**”) of a 5% interest in a Technical Assistance Contract for a block referred to as “**Langsa TAC**” located offshore, North Sumatra (the “**Fulucai Interest**”) from Fulucai Productions Ltd. (FCPS:OTC US) (“**Fulucai**”), the Corporation is pleased to announce that, effective January 26, 2015, it has entered into another letter of intent with Blue Sky International Holdings, Inc. (“**BSIH**”) with regard to an acquisition of additional interests in the Langsa TAC (the “**BSIH LOI**”).

Under the terms of the BSIH LOI, the Corporation will acquire 100% of the issued and outstanding shares of Blue Sky Langsa Ltd. (“**BSL**”), effective January 1, 2015, from BSIH (the “**Transaction**”). The BSL shares will be acquired through the issuance of shares of the Corporation at a price based upon the valuation of the additional Langsa TAC interests as determined in the final independent reserves evaluation report being prepared by McDaniel & Associates Consultants Ltd., as previously announced.

BSL was incorporated in Mauritius in March 2003 and is the operator approved by Pertamina, the Indonesian state-owned oil and natural gas corporation, under the Langsa TAC. BSL’s assets include ownership of a 47% interest in oil and gas properties, equipment located in Balawan, Sumatra and historic sunk costs on the Langsa TAC of approximately US \$29.61 million. The BSIH LOI recognizes that the Corporation has entered into the LOI with Fulucai and that it might be in the best interests of all parties for the Fulucai Interest to be acquired by BSL (rather than by the Corporation) prior to completion of the Transaction. If BSL does acquire the Fulucai Interest, the Corporation and BSIH will sign and deliver such further documents as may be required. The Corporation has agreed to pay a refundable deposit of \$100,000 as a good faith gesture to be credited towards the final purchase price. If the Transaction does not close for any reason, the deposit will be fully refunded to the Corporation.

**Other Information**

Completion of the Transaction is subject to a number of conditions, including Exchange acceptance and Shareholder approval. The Transaction cannot close until the required Shareholder approval is obtained. There can be no assurance that the Transaction will be completed as proposed or at all.

Investors are cautioned that, except as disclosed in the Management Information Circular to be prepared in connection with the Transaction, any information released or received with respect to the Change of Business or Reverse Take Over may not be accurate or complete and should not be relied upon. Trading in the securities of the Corporation should be considered highly speculative.

Trading of the common shares of the Corporation on the NEX Board of the Exchange remains halted until such time as the Exchange may determine, having regard to the completion of certain requirements pursuant to Exchange Policy 5.2.

Disclosure related to the proposed board of directors and management of the Corporation following completion of the Proposed Transaction, a summary of the Report, proposed financing of the Proposed Transaction, and further transactional details will be provided in a future press release.

The TSX Venture Exchange has in no way passed upon the merits of the Proposed Transaction and has neither approved nor disapproved the contents of this press release.

Except for the historical information contained herein, this press release contains statements that constitute forward-looking statements, as defined in the Private Securities Litigation Reform Act of 1995. Forward-looking statements inherently involve risks and uncertainties that could cause actual results to differ materially from the forward-looking statements. Factors that may cause or contribute to such differences include, among other things, the Corporation's ability to close the proposed transaction. Other risks and uncertainties include changes in business conditions and the economy in general, changes in governmental regulations, unforeseen litigation and other risk factors identified in the Corporation's public filings under "Risk Factors." The Corporation undertakes no obligation to update these forward-looking statements for revisions or changes after the date of this press release.
