**FOR IMMEDIATE RELEASE**

**PREDICTIV AI ANNOUNCES CEASE TRADE ORDER AND PROVIDES  
UPDATE TO SHAREHOLDERS ON STATUS OF FINANCIAL STATEMENT FILINGS**

**Toronto, Canada, June 7, 2022 – Predictiv AI Inc. (TSX-V: PAI; OTC: INOTF; FSE: 71TA) (“Predictiv AI” or the “Company”), [www.predictiv.ai](http://www.predictiv.ai)**, a software and solutions provider in the artificial intelligence markets, continues to work diligently to complete the filing of its annual financial statements for the year ended January 31, 2022 and its related management’s discussion and analysis, and officer certifications (collectively, the **“Required Filings”**) which were due to be filed on May 31, 2022 (the **“Filing Deadline”**).

The Company confirms that the Ontario Securities Commission (the **“OSC”**) has issued a failure to file cease trade order against the Company (the **“CTO”**) which orders that general trading, whether direct or indirect, of the securities of the Company cease. A copy of the CTO has been posted to the OSC website.

There is no assurance that the Company will be able to remedy its filing default and have the CTO lifted in a timely manner or at all. We are, however, continuing our efforts to remedy the situation and the revocation of the CTO is expected to occur within a few days after the Required Filings are made.
