

FOR IMMEDIATE RELEASE

## **01 Communique Provides an Update on its Patent Litigation with Citrix Systems Inc.**

**TORONTO, ON – January 18, 2016** – 01 Communique Laboratory Inc. (TSX-V:ONE) (the "Company") today announced that jury deliberations commenced on Friday January 15, 2016 in the previously announced litigation with Citrix Systems Inc. (see press release dated December 22, 2015). It is anticipated that such deliberations will re-commence in the morning on January 19, 2016. The Company will issue a further press release once a decision is reached by the jury.

Neither TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.

### **Cautionary Note Regarding Forward-looking Statements.**

Certain statements in this news release may constitute "forward-looking" statements which involve known and unknown risks, uncertainties and other factors which may cause the actual results, performance or achievements of the company, or industry results, to be materially different from any future results, performance or achievements expressed or implied by such forward-looking statements. When used in this news release, such statements use such words as "may", "will", "expect", "believe", "plan", "intend", "are confident" and other similar terminology. Such statements include the anticipated timing of the jury deliberations. These statements reflect current expectations regarding future events and operating performance and speak only as of the date of this news release. Forward-looking statements involve significant risks and uncertainties, should not be read as guarantees of future performance or results, and will not necessarily be accurate indications of whether or not such results will be achieved. A number of factors could cause actual results to differ materially from the results discussed in the forward-looking statements, including, but not limited to, the factors discussed under "Risk Factors" in the company's Annual Information Form filed on SEDAR. Although the forward-looking statements contained in this news release are based upon what management of the Company believes are reasonable assumptions, the company cannot assure investors that actual results will be consistent with these forward looking statements. These forward-looking statements are made as of the date of this news release, and the company assumes no obligation to update or revise them to reflect new events or circumstances.
