

## **BREMBO 2024 PRELIMINARY RESULTS: REVENUES STABLE AT € 3,841.2 MILLION; EBITDA AT € 661.6 MILLION (17.2%)**

***The results are in line with market guidance and demonstrate the Group's strong resilience in a difficult historical phase for the automotive sector***

Bergamo, January 30, 2025 – Brembo's Board of Directors, chaired by Executive Chairman Matteo Tiraboschi, examined the 2024 preliminary<sup>1</sup> results.

In a complex global scenario, marked by significant difficulties in the automotive industry, particularly in Europe, Brembo achieved preliminary revenues of € 3,841.2 million in 2024, stable compared to € 3,849.2 million in 2023. The preliminary EBITDA margin, amounting to € 661.6 million, is also in line with the previous year's figure and market guidance, representing 17.2% of revenues.

*"These preliminary results confirm the solidity of Brembo's business model despite the challenging times faced by our industry", said Executive Chairman Matteo Tiraboschi. "Our strength lies in continuous innovation and the passion of our people, who work with great commitment every day to keep the Group at the forefront. In 2024, we continued to invest in strengthening our global industrial presence".*

The Group's consolidated results will be announced on March 18, following the approval of the Annual Financial Statements.
