BeWhere Holdings Inc. Announces Withdrawal of Preliminary Short Form Prospectus

TORONTO, ON, January 4, 2019 - BeWhere Holdings Inc. (TSXV: BEW, OTCQB: BEWFF) ("BeWhere" or the "Company") announces it has withdrawn its preliminary short form prospectus filed November 13, 2018 with the securities regulatory authorities in Ontario, British Columbia and Alberta.

About BeWhere

BeWhere Holdings Inc. (TSXV:BEW) is an Industrial Internet of Things ("IIoT") solutions company that designs and sells hardware with sensors and software application to track real-time information on non-powered fixed and movable assets, as well as to monitor environmental conditions. The Company develops mobile applications, middle-ware and cloud-based solutions that stand-alone or that can be readily integrated with existing software. The Company's solutions use available cellular technologies (LTE-M and NB-IoT) and offer customers low-cost technology to implement a new level of visibility to their businesses.

The Company sells its products through a worldwide network of distribution and technology companies. It secured distribution agreements and technology partnerships with a large roster of companies including major telecommunications providers, leading vehicle telematics providers and logistic and supply chain management solution providers.

NEITHER THE TSX VENTURE EXCHANGE NOR ITS REGULATION SERVICES PROVIDER (as that term is defined in the policies of the TSX Venture Exchange) ACCEPTS RESPONSIBILITY FOR THE ADEQUACY OR ACCURACY OF THIS RELEASE.
