Dial-in (toll/international): 1-631-891-4304

Conference ID: 10019805

About Burcon NutraScience Corporation

Burcon is a global technology leader in the development of plant-based proteins for foods and beverages. With over two decades of experience formulating high-purity proteins that have superior functionality, taste and nutrition, Burcon has amassed an extensive patent portfolio covering its novel plant-based proteins derived from pea, canola, soy, hemp, sunflower seed, among other plant sources. In 2019, Merit Functional Foods Corporation ("Merit Foods") was established between Burcon and three veteran food industry executives. Merit Foods has since built and commissioned a state-of-the-art protein production facility in Manitoba, Canada that is producing, under license from Burcon, best-in-class pea and canola proteins for the food and beverage industries. Forward-Looking Information Cautionary Statement

The TSX has not reviewed and does not accept responsibility for the adequacy of the content of the information contained herein. This press release contains forward-looking statements or forward-looking information within the meaning of the U.S. *Private Securities Litigation Reform Act* of 1995 and applicable Canadian securities legislation, including statements with respect to the execution of definitive documentation with respect to the Loan and drawdown of the Loan. Forward-looking statements or forward-looking information involve risks, uncertainties and other factors that could cause actual results, performances, prospects and opportunities to differ materially from those expressed or implied by such forward-looking statements. Forward-looking statements or forward-looking information can be identified by words such as "anticipate," "intend," "plan," "goal," "project," "estimate," "expect," "believe," "future," "likely," "may," "should," "could," "will" and similar references to future periods. All statements included in this release, other than statements of historical fact, are forward-looking statements. There can be no assurance that such statements will prove to be accurate, and actual results and future events could differ materially from those anticipated in such statements or information. Important factors that could cause actual results to differ materially from Burcon's plans and expectations include our ability to comply with Nasdaq listing rules, the implementation of our business model and

growth strategies; trends and competition in our industry our future business development, financial condition and results of operations and our ability to obtain financing cost-effectively; potential changes of government regulations; and other risks and factors detailed herein and from time to time in the filings made by Burcon with securities regulators and stock exchanges, including in the section entitled "Risk Factors" in Burcon's annual information form for the year ended March 31, 2022 and its other public filings with Canadian securities regulators on SEDAR at www.sedar.com and with the U.S. Securities and Exchange Commission on EDGAR at www.sec.gov. This list is not exhaustive of the factors that may affect any of the Company's forward-looking statements or information. Any forward-looking statement or information speaks only as of the date on which it was made, and, except as may be required by applicable securities laws, Burcon disclaims any intent or obligation to update any forward-looking statement, whether as a result of new information, future events or otherwise. Although Burcon believes the assumptions inherent in the forward-looking statements are reasonable, forward-looking statements are not guarantees of future performance, and, accordingly, investors should not rely on such statements.
