The Company has recorded consecutive quarters of earnings growth in the last three years. In the first half of 2010, Jite recorded sales of $9.2 million, a 22% increase from the same period of 2009 and net earnings of $1.1 million ($0.05 per share), a 79% increase from the same period of 2009. No insiders of the Company intend to participate in the Bid.

The Company intends to commence the Bid on or about September 25, 2010 (being three days following acceptance of the Bid by the TSX Venture Exchange on September 21, 2010) and terminate the Bid on or about September 24, 2011. Pursuant to TSX Venture Exchange (the "**Exchange**") policies, purchases of Shares under the Bid or otherwise during any 30 day period will not exceed 2% of the issued and outstanding Shares at the time such purchases are made. Purchases pursuant to the Bid will be made from time to time through the facilities of the Exchange.
