

SonicStrategy Approaches 15M Sonic Tokens Staked and Delegated, with 3.7 BTC Held in Treasury

TORONTO, ON / ACCESS Newswire / June 25, 2025 / *SonicStrategy Inc.*, the blockchain infrastructure subsidiary of **Spetz Inc.** (CSE:SPTZ)(OTC:DBKSF), is pleased to announce further expansion of its digital asset position within the Sonic blockchain ecosystem.

The Company has acquired an additional 1,000,000 Sonic (S) tokens on the open market at an average cost of approximately \$0.3724 CAD (\$0.2711 USD) per token, representing a total investment of \$373,000 CAD. This acquisition brings the Company's direct holdings to over 8,200,000 S tokens, reflecting its conviction in Sonic as a next-generation Layer 1 blockchain.

The Company's institutional-grade validator continues to see growing adoption, with total delegated tokens now exceeding 6,740,000 S, up from 3,700,000 just a few days prior (see figure 1 below). Independent Sonic holders continue to delegate to SonicStrategy's validator infrastructure, trusting in its security, uptime, and performance to generate and distribute staking rewards efficiently.

Taken together, SonicStrategy now has exposure to nearly 15,000,000 S tokens, combining direct holdings and third-party validator delegations. This level of engagement underscores the Company's commitment to building sustainable economic infrastructure within the Sonic ecosystem while generating long-term yield for stakeholders.

The Company also continues to hold 3.7 BTC as part of its broader digital asset treasury strategy, and approximately \$3,000,000 CAD.

The Company also announces that it has entered into a market making agreement, effective June 5th, 2025, with Independent Trading Group (ITG) Inc., a CIRO member firm based in Toronto, to provide market making services for its common shares traded on the Canadian Securities Exchange with the objective of maintaining a reasonable market and improving the liquidity of the Company's shares. Under the terms of the agreement, Spetz Inc. will pay a monthly service fee of \$5,000 CAD. There are no performance obligations contained in the agreement and ITG will not receive shares, options or any other form of equity in the Company as compensation. The agreement is renewable monthly and may be terminated by either party with 30 days' notice. ITG and the Company are arm's-length parties, and ITG and its principals do not currently own or have any interest, directly or indirectly, in the securities of the Company, however, ITG and its clients may acquire an interest in the securities of the Company in the future.

Further updates will be provided as SonicStrategy executes additional capital deployment and staking strategies across the network.
