Bell Copper Corporation Retains Renmark Financial Communications Inc.

Vancouver, BC – April 26, 2010 – Bell Copper Corporation (TSXV: BCU) (“Bell Copper” or the “Company”) is pleased to announce that it has retained the services of Renmark Financial Communications Inc. to handle its investor relations activities.

Bell Copper has selected Renmark to reinforce the Company's profile in the financial community and enhance the visibility of our project portfolio. Bell chose Renmark because its standards and methodologies fit best with the message the Company wishes to communicate to the investing public.

In consideration of the services to be provided, the Company has agreed to a 12-month agreement starting May 1st, 2010, to pay a monthly retainer of \$7,000 a month to Renmark Financial Communications Inc.

Renmark Financial Communications does not have any interest, directly or indirectly, in Bell Copper Corporation or its securities, or any right or intent to acquire such an interest.

About Bell Copper

Bell Copper is a public company with a focus on copper exploration, development and production in North America. The Company has an extensive portfolio of exploration and development projects located in some of North America's premier copper producing regions including Mexico, the Southwestern US and Northwestern British Columbia. The Company's development and exploration initiatives are led by a technical team with a copper pedigree.
