BELL COPPER CLOSES UNIT FINANCING

Vancouver, British Columbia Bell Copper Corporation ("Bell Copper" or the "Company") (TSX-V: BCU) Further to its March 8, 2019 and May 7, 2019 news releases, Bell Copper announces that it has filed documents with the TSX Venture Exchange (the "Exchange") seeking final approval of its non-brokered private placement of units (the "Units") at a price of ten cents ($0.10) per Unit for gross proceeds of $85,125.00.

On receipt of regulatory approval Bell will issue 851,250 Units, each Unit being comprised of one common share in the capital of the Company and one common share purchase warrant, with each warrant entitling the holder to purchase an additional common share of the Company at a price of twenty cents ($0.20) per share at any time within 12 months of the date of issuance, subject to the right of the Company to accelerate the exercise period of the Warrants if common shares of the Company trade at or above $0.50 for ten (10) consecutive trading days. All securities to be issued under this private placement will be subject to a four-month resale restriction.

The proceeds of the private placement will be allocated towards acquiring new prospective copper projects in North America as well as for general working capital purposes.
