CONSENT of AUTHOR

TO: British Columbia Securities Commission
Montreal Securities Commission
Alberta Securities Commission
Ontario Securities Commission

AND TO: La Mancha Resources Inc.

I refer to the technical report dated 22 October, 2010 titled "The Hassai Mine Envisaged Business Plan (CIL Gold Plant and VMS Concentrator), Red Sea State, Sudan NI 43-101 Technical Report" (the "Technical Report").

I am responsible for the preparation of those parts of Sections 1, 16 and 18 relating to processing of gold mineralisation in the proposed CIL plant, including metallurgy, plant and infrastructure design, preliminary capital and operating costs with the exception of the processed grades and recoveries.

I consent to the filing of the Technical Report with any stock exchange and other regulatory authority and any publication by them for regulatory purposes, including electronic publication in the public company files on their websites accessible by the public, of the Technical Report.

In addition, I hereby consent a) to the public filing on La Mancha Resources Inc.'s website of the Technical Report, and b) to extracts from the Technical Report in the news release by La Mancha Resources Inc. dated September 7, 2010 as previously filed.

I hereby confirm that the written disclosure previously filed fairly and accurately represents the information in the Technical Report that supports the disclosure.

Dated, this 22nd day of October 2010.
