CONSENT of AUTHOR

TO: British Columbia Securities Commission
Montreal Securities Commission
Alberta Securities Commission
Ontario Securities Commission

AND TO: La Mancha Resources Inc.

I refer to the technical report dated 28 June, 2011 titled "*The Hassai CIL Gold Project Definitive Feasibility Study, Red Sea State, Sudan NI 43-101 Technical Report*" (the "Technical Report").

I am responsible for Section 20 about the current heap leach operation.

I consent to the filing of the Technical Report with any stock exchange and other regulatory authority and any publication by them for regulatory purposes, including electronic publication in the public company files on their websites accessible by the public, of the Technical Report.

In addition, I hereby consent a) to the public filing on La Mancha Resources Inc.'s website of the Technical Report, and b) to extracts from the Technical Report in the news release by La Mancha Resources Inc. dated May, 16, 2011 as previously filed.

I hereby confirm that the written disclosure previously filed fairly and accurately represents the information in the Technical Report that supports the disclosure.

Dated, this 28th Day of June 2011.

(Signed)

Nigel Tamlyn
Chief Operating Officer
La Mancha Resources
