ARTICLE 2 RIGHT OF FIRST REFUSAL

Section 2.1 Grant of Right of First Refusal

- (1) Subject to the provisions of this Agreement, the Corporation hereby sells and grants to Wheaton, and Wheaton whereby purchases and accepts from the Corporation, a right of first refusal in respect of any ROFR Interest on the terms and conditions set out in Section 2.2.
- (2) In consideration for the granting of the right of first refusal herein provided, contemporaneous with the execution and deliver hereof, Wheaton has paid to the Corporation the Fee on the Conversion Date in immediately available Canadian funds by wire transfer to an account designated by the Corporation.

Section 2.2 ROFR

- (1) If the Corporation or any of its Affiliates (the “**Vendor**”), receives a definitive offer from a third party that would be binding upon acceptance by the Vendor, to Transfer a ROFR Interest (a “**Third Party Offer**”), and the Vendor is willing to accept that Third Party Offer, then the Corporation shall cause the Vendor, by notice in writing delivered to Wheaton, to offer to sell all, but not less than all, of the ROFR Interest so sought to be Transferred to the third party under the Third Party Offer to Wheaton on the same financial terms and otherwise upon the same terms and conditions as are contained in the Third Party Offer, and to provide to Wheaton the best available information that the Vendor has with respect to the ROFR Interest (including any information provided to the third party and a copy of the Third Party Offer) (the “**ROFR Offer**”); provided that, if the Third Party Offer includes non-cash consideration that is personal to the third party (including shares of the third party), then Wheaton shall be entitled to substitute such non-cash consideration with cash or non-cash consideration that is personal to Wheaton

(including shares of Wheaton or any of its Affiliates) with the same or greater value, liquidity and marketability as the third party's non-cash consideration; and further provided that, if the Third Party Offer includes or is conditional upon the purchase of any asset other than a ROFR Interest from the Vendor, then the ROFR Offer shall similarly include such other assets.

- (2) Wheaton, or an Affiliate of Wheaton, may, within 60 days from the date of receipt of the ROFR Offer, accept the financial terms of the ROFR Offer by notice in writing delivered to the Vendor. During the 60 day period, the Parties shall negotiate the other terms and conditions in the ROFR Offer; provided that if the Parties are not able to agree upon the other terms and conditions in the ROFR Offer, Wheaton may elect to accept the ROFR Offer on the same terms and conditions contemplated in the ROFR Offer by notice in writing delivered to the Vendor, in which event it shall then become a binding agreement of purchase and sale between Wheaton, or an Affiliate of Wheaton, and the Vendor; provided further that, if so elected by Wheaton (or its Affiliate) in its acceptance notice and without affecting the binding nature of the agreement between the Vendor and Wheaton, or an Affiliate of Wheaton, Wheaton may require that the terms and conditions contained in the ROFR Offer be amended to require that metals sales and deliveries be sold and delivered to Wheaton, or an Affiliate of Wheaton, pursuant to a transaction structure acceptable to Wheaton, acting reasonably, rather than as contemplated in the ROFR Offer; provided that such amendment does not adversely change the economic substance of the amended ROFR Offer as compared to the Third Party Offer.
- (3) If Wheaton, or an Affiliate of Wheaton, does not accept the ROFR Offer or does not give notice in accordance with the provisions of Section 2.2(2) that it is willing to purchase the ROFR Interest, then the Vendor shall be free to sell all (but not less than all) of such ROFR Interest to the applicable third party pursuant to the Third Party Offer. If the Vendor and the third party have not entered into a binding, written agreement pertaining to all (but not less than all) of such ROFR Interest (the "**Third Party Agreement**") within 90 days after the expiry of the 60-day period set forth in Section 2.2(2), then the Corporation and the Vendor shall again be required to comply with the terms of this Agreement with respect to that Third Party Offer before selling the ROFR Interest that is the subject to the Third Party Offer to a third party. The Corporation shall provide Wheaton with a copy of the Third Party Agreement promptly once it is executed and delivered, and shall execute and deliver to Wheaton at the completion of the transactions contemplated by the Third Party Agreement a certificate of a senior officer of the Corporation certifying that the sale of the ROFR Interest to the third party was completed pursuant to the terms of the Third Party Offer.
- (4) For the avoidance of doubt:
 - (a) this Section 2.2 is intended to apply, *mutatis mutandis*, to any offer made by a Vendor to any third party to Transfer a ROFR Interest or where the Vendor otherwise proposes to enter into an agreement with a third party to Transfer a ROFR Interest, with such changes as are necessary to make this Section 2.2 applicable thereto;

- (b) a Vendor shall be entitled at any time to negotiate with any third party the terms upon which such third party may purchase a ROFR Interest, provided that before such terms are accepted, the Vendor complies with this Section 2.2; and
- (c) to the extent that the Newmont ROFR applies to a Third Party Offer with respect to the Mountain View Property, the provisions of this Section 2.2 shall apply to such Third Party Offer if and only if Newmont Corporation has waived its rights pursuant to the Newmont ROFR or has failed to exercise the Newmont ROFR. It is understood and agreed that the Corporation shall send any such Third Party Offer and associated ROFR Offer to Wheaton at the same time that comparable documents are provided to Newmont Corporation pursuant to the Newmont ROFR, but conditional on the foregoing, so that the time frame of Wheaton's right of first refusal under this Section 2.2 shall run concurrently and not consecutively with that of the Newmont ROFR, and the provisions of this Section 2.2 shall otherwise apply *mutatis mutandis* to give effect to the intent of this Section 2.2(4)(c).

Section 2.3 Transfers

- (1) Except with the prior written consent of Wheaton or as provided by Section 2.3(2), the Corporation shall not, directly or indirectly, and shall cause its Affiliates to not, Transfer in whole or in part any of its or their respective right, title or interest in, or abandon, surrender or otherwise relinquish a right, title or interest in, in whole or in part, or otherwise cease to hold its beneficial and legal title to, any Mining Properties.
- (2) Subject to Section 2.3(3), nothing in Section 2.3(1) applies to or restricts in any manner:
 - (a) any involuntary expropriation or other transfer required or imposed by applicable law or any governmental authority, provided that the Corporation and its Affiliates have used commercially reasonable efforts to, as applicable, appeal, overturn or otherwise have the expropriation or other transfer lifted or rendered non-applicable;
 - (b) any Transfer, in whole or in part, by the Corporation or any of its Affiliates of any of its or their respective right, title or interest in any of the Mining Properties (the "**Transferred Mining Properties**") to any Person (a "**Transferee**"), provided that the Transferee and, if the Transferee is controlled by any other Person, the Affiliate of the Transferee that is not controlled by any other Person, executes and delivers to Wheaton a deed of assumption in form and substance satisfactory to Wheaton, acting reasonably (the "**Deed of Assumption**") pursuant to which the Transferee and, where applicable, its Affiliate, agrees to become bound by this Agreement in the place and stead of the Corporation as regards such Transferred Mining Properties. Upon the receipt by Wheaton of the signed Deed of Assumption, the Corporation shall have no further liabilities or obligations hereunder as regards the Transferred Mining Properties (other than in respect of

any prior breach or default by the Corporation hereunder), which shall be the sole responsibility of the Transferee and, where applicable, its Affiliate.

- (c) a Change of Control Transaction of the Corporation, or any of its Affiliates with an interest in and to the Mining Properties, provided that: (i) any successor entity, transferee entity or entity acquiring control, as the case may be, if such entity is not controlled by any other Person, or in any other case, the Affiliate of such entity which Affiliates is not controlled by any other Person (and for such purposes only, "controlled" means the ownership of 50% or more of the outstanding voting securities of the relevant Person); and (ii) the Affiliate that is the subject of the Change of Control Transaction, both assume in favour of Wheaton all the obligations of the Corporation under this Agreement (and for greater certainty, no such assumption will broaden the scope of the Mining Properties that are subject to this Agreement, except to the extent that the assuming party holds or acquires any additional Mining Properties that are captured by paragraphs (c) or (d) of the definition of "Mining Properties");
 - (d) any encumbrance by the Corporation, or any of its Affiliates with an interest in and to the Mining Properties, on their equity interests in connection with the Corporation or its Affiliates obtaining financing; provided that the lender has agreed to assume, be bound by and made subject to the terms of this Agreement applying to the Corporation, or its Affiliates, as though it was an original party hereto in the event it takes possession of or forecloses and to cause any Person that acquires all or any part of the Mining Properties or acquires control of the Corporation or its Affiliates (but along the lines of the concepts elucidated in Section 2.3(2)(b) and Section 2.3(2)(c)) in connection with any enforcement action of the lender to so assume, be bound by and made subject to the terms of this Agreement; or
 - (e) any surrender, abandonment, relinquishment or letting lapse any mining right on part of the Mining Properties by the Corporation or any of its Affiliates with an interest in and to the Mining Properties, provided that the Corporation and any such Affiliate is acting reasonably and in good faith and without intent to circumvent this Agreement.
- (3) If any portion of the Mining Properties are Transferred, surrendered, abandoned, relinquished or allowed to lapse in accordance with Section 2.3(2) hereof, and are subsequently reacquired by, or Transferred back to, the Corporation or its Affiliates within five years following the date of such Transfer, such right, title or interest to the Mining Properties shall be included in, and form part of, the Mining Properties, as the case may be, for all purposes of this Agreement, regardless of whether such right title and interest would otherwise be included in the Mining Properties by virtue of the definition of "Mining Properties".

- The Mountain View Claims (5%), the Jack Claims (50%), and the Harlan Claims (50%), are subject to a Lease/Option Agreement dated June 30, 2000, between Raymond W. Wittkopp and Leslie A. Wittkopp, husband and wife, and Franco-Nevada Mining Corporation, Inc., a memorandum of which is recorded in the Washoe County Recorder's office as Document No. 2472553 (the "**Wittkopp Lease**", as amended).

According to the Title Reports:

- The Wittkopp Lease:
 - requires the lessee to pay a net smelter returns royalty of 1.0% on minerals produced from all of the Subject Claims except RICH 105 at a royalty rate of 1.0%, and a net smelter returns royalty of 0.1% on minerals produced from the Mountain View Claims (the "**Wittkopp Lease Royalty**").
 - grants the lessee an option to purchase all of the lessor's ownership interest in the leased property for \$250,000 at any time prior to achieving commercial production from the leased property and obligates the lessee to purchase all of the lessor's ownership interest in the leased property for \$250,000 upon achievement of commercial production from the leased property. In both cases, however, the Wittkopp Lease Royalty expressly survives any such acquisition of the leased property: The Wittkopp Lease Royalty will terminate at such time as the Wittkopp Lease terminates, except for termination through the lessee's acquisition of the leased property.
 - requires the lessee to pay to the lessor annual advance royalty payments (which can be credited in full against future production royalty obligations) and the annual federal and state filing fees to maintain the leased mining claims.
 - Requires the lessee to pay annual advance minimum royalties of \$25,000 on or before June 30 of each year until the lease is terminated, the lessee acquires the Property, or Commercial Production is achieved. Advance minimum royalties are credited against the NSR royalty described above.
 - Prior to commencing commercial production, the lessee may purchase the leased property for \$250,000.
- The 52 Jack Claims (defined in Exhibit A) are encumbered by a Quitclaim Deed dated July 28, 1986, by and between Franco-Nevada U.S. Corporation (successor in interest of St. Joe Gold Corporation) and Leslie A. Wittkopp, recorded as document number 1090393. In the original Deed, St. Joe Gold Corporation reserved to itself a 1.0% net smelter returns production royalty on

all minerals produced from the Jack Claims.

- The Royalty Deed dated October 7, 2002, by and between Newmont Capital Limited ("**Newmont**") and Vista Nevada Corp. (one of Clover's predecessors in title) ("**Vista**"), recorded as document number 2755217, as subsequently assigned by Newmont to Maverix Metals (Nevada) Inc. ("**Maverix**") pursuant to a Confirmation of Assignment and Assumption Agreement dated February 6, 2019 recorded as document number 4891320, provides for:
 - a perpetual net smelter returns royalty of 1.5% payable on all minerals produced from the Subject Claims and the Area of Interest (defined in the Title Reports) in favour of Maverix.
 - written notice from Clover to Newmont until 2092 before abandoning any of the Subject Claims and before terminating the Wittkopp Lease (and provide Newmont a corresponding opportunity to elect to have such claims or lease transferred to Newmont).
 - an election by Newmont under the agreement to process metals mined from the Subject Claims and from the Area of Interest.
- The Mining Deed (With Reservation of Royalty) dated effective April 28, 2021, by and between Clover and Millennial NV, recorded in the Washoe County Recorder's public records on April 29, 2021 as Document No. 5173378, as the royalty interest therein was subsequently conveyed by Clover to Royalty Consolidation Company, LLC ("**Royalty Consolidation**") pursuant to a Conveyance of Royalty Interests dated effective April 29, 2021, recorded in the Washoe County Recorder's public records on April 29, 2021, as Document No. 5173756 provides for, *inter alia*:
 - a net smelter returns royalty (the "**Clover Washoe Royalty**"), payable by Millennial NV and its successors, applicable to any sale of gold (and only gold) from the Original Claims (defined in the Title Reports). The amount of the Clover Washoe Royalty is 0.05%, not subject to proportionate reduction, as to production from the Mountain View Claims and 0.5%, not subject to proportionate reduction, as to production from the Jack Claims, the Harlan Claims (defined in Exhibit A), and the Rich Claims (defined in Exhibit A). The Clover Washoe Royalty runs with the Original Claims and covers any amendments, relocations, replacements, modifications, or conversions of the Original Claims. If Millennial NV or its successor subsequently acquires a greater ownership interest in the Original Claims, such acquisition will not operate to increase the amount of the Clover Washoe Royalty.
 - notification by Millennial NV to Clover of its intention to abandon or terminate the Original Claims, and to grant Clover the option to reacquire Millennial NV's interest in same.
- The Assignment of Mining Lease dated effective April 28, 2021, by and between Clover and Millennial NV, recorded in the Washoe County Recorder's public records on April 29, 2021, as Document No. 5173379 provides for, *inter alia*:
 - the assignment by Clover to Millennial NV its right, title and interest in and to the Wittkopp Lease.
 - notification by Millennial NV to Clover of its intention to abandon or terminate the

Wittkopp Lease, which cannot be terminated or allowed to terminate without Millennial NV first giving Clover the option to reacquire same.

- Deed of Trust, Assignment of Leases, Rents and Contracts, Security Agreement and Fixture Filing dated April 28, 2021, by Millennial NV to Matthew E. Jensen, Esq., as trustee, for the benefit of Waterton Nevada Splitter, LLC ("**Waterton**"), recorded in the Washoe County Recorder's public records on April 29, 2021, as Document No. 5173380. This Deed references a Contingent Value Rights Agreement dated April 28, 2021, by and between Waterton, Millennial NV, and Millennial (the "**CVR Agreement**"). The Deed of Trust secures the obligations of Millennial NV and Millennial under the CVR Agreement. This Deed encumbers the Original Claims.

Said leases were subsequently assigned by Western Gold Exploration and Mining Company, Limited Partnership, to Independence Mining Company Inc. in 1991, and by Independence Mining Company Inc. to Canyon Resources Corporation in 1995.
