Golden Goliath Resources Announces Board Resignation

Vancouver, British Columbia – June 30th, 2025 – *Golden Goliath Resources Ltd.* (TSX.V: GNG) ("Golden Goliath" or the "Company") – The Company wishes to announce the resignation of Mr. Daniel Nofrietta Fernandez from the Board of Directors, effective immediately.

The Company wishes to extend its sincere gratitude to Mr. Fernandez for his valuable contribution and dedicated service during his tenure on the Board. His insight and expertise has been instrumental in supporting Golden Goliath's strategic direction and exploration initiatives.

Golden Goliath is in the process of a strategic review and is evaluating potential candidates to fill vacancies within the Company and will provide updates as appropriate.

The Company remains committed to advancing its projects and enhancing shareholder value, and the Board continues to work diligently to guide Golden Goliath's long-term growth and success.

About Golden Goliath Resources Ltd.
Golden Goliath Resources Ltd. is a junior exploration company based in Vancouver, B.C., focused on the exploration and development of precious metal properties in mining-friendly jurisdictions. The Company is actively exploring its projects in Ontario's Red Lake District and other high-potential areas in Canada.

Cautionary and Forward-Looking Statements
This news release contains forward-looking statements and forward-looking information within the meaning of applicable securities laws. These statements relate to future events or future performance. All statements other than statements of historical fact may be forward-looking statements or information. Forward-looking statements and information are often, but not always, identified by the use of words such as "appear", "seek", "anticipate", "plan", "continue", "estimate", "approximate", "expect", "may", "will", "project", "predict", "potential", "targeting", "intend", "could", "might", "should", "believe", "would" and similar expressions.

Forward-looking statements and information are provided for the purpose of providing information about the current expectations and plans of management of the Company relating to the future. Readers are *cautioned that reliance on such statements and information may not be appropriate for other purposes, such as making investment decisions. Since forward-looking statements and information address future events and conditions, by their very nature they involve inherent risks and uncertainties. Actual results could differ materially from those currently anticipated due to a number of factors and risks. These include, but are not limited to, the expected timing and terms of the private placement, use of proceeds, anticipated work program, required approvals in connection with the work program and the ability to obtain such approvals. Accordingly, readers should not place undue reliance on the forward-looking statements, timelines and information contained in this news release. Readers are cautioned that the foregoing list of factors is not exhaustive.*

The forward-looking statements and information contained in this news release are made as of the date of this news release and no undertaking is given to update publicly or revise any forward-looking statements or information, whether as a result of new information, future events or otherwise, unless so required by applicable securities laws or the TSXV. The forward-looking statements or information contained in this news release are expressly qualified by this cautionary statement. Neither the TSXV nor its Regulation Services Provider (as that term is defined in the policies of the TSXV) accepts responsibility for the adequacy or accuracy of this release. No stock exchange, securities commission or other regulatory authority has approved or disapproved the information contained herein.
