#### **5. Full Description of Material Change**

Earthramp.com is pleased to announce a strategic partnership with iSyndicate.com the preeminent content syndication service on the Internet, distributing a broad selection of written, geographical, audio and video content from 998 sources, to a vast and diverse network of 271,942 Web sites. iSyndicate.com will utilize its infrastructure and dedicated sales team of over 40 representatives to resell Earthramp.com's line of financial data services and products in a profit sharing business model.

iSyndicate aggregates, packages, integrates and delivers content from over 998 leading content providers, all in real-time. iSyndicate.com currently re-distributes global breaking news headlines, columns, photos, audio and video, on everything ranging from international business, technology and local sports, to entertainment and lifestyles from leading companies such as Associated Press, CBS MarketWatch, Yahoo!, NetEvents, TheStreet.com, The Sports Network, Wired and many more.

This partnership is one of several new business relationships and distribution channels Earthramp.com is participating in. "The relationship with iSyndicate.com is an obvious step forward in our marketing plan. We have set our priorities on generating revenue and making Earthramp.com profitable." said Paul Dickson, President.

EarthRamp.com is positioning itself to become a leading provider of integrated client/server financial applications, market data and information dissemination through end user applications. Earthramp.com currently provides financial data, consumer services, real-time stock quotes, real-time news, portfolio tracking software, wireless data services and historical data. Earthramp.com engages in business to business applications and custom software services that appeal to the Internet community. Earthramp.com also develops and operates proprietary web sites such as QuotesCanada.com, a Canadian Internet portal containing real-time and delayed financial data, and much more.
