Webcast: <http://bit.ly/AbsoluteNeedham2017> (will be archived for 90 days)

About Absolute

Absolute (TSX:ABT) delivers the only self-healing endpoint security solution to provide uncompromised visibility and real-time remediation of breaches at the source. Absolute's cloud-based platform puts IT and security professionals in total command of devices, data and applications — whether on or off the corporate network — to enhance IT asset management, protect sensitive data, reduce insider threats and ensure compliance. Absolute's patented Persistence technology is embedded in the firmware of more than 1 billion PCs and mobile devices from global manufacturers including Acer, ASUS, Dell, Fujitsu, HP, Lenovo, Microsoft, Panasonic, Samsung and Toshiba. Absolute is headquartered in Vancouver, Canada, and has offices around the world. For more information, visit www.absolute.com.
