Location: Lotte New York Palace Hotel, New York City
Webcast: <http://wsj.com/webcast/needham84/abt.to/>

About Absolute

Absolute set the new standard for endpoint visibility and control with self-healing endpoint security and always-connected IT asset management to protect devices, data, applications and users — on and off the network. Bridging the gap between security and IT operations, only Absolute gives enterprises visibility they can act on to protect every endpoint, remediate vulnerabilities, and ensure compliance in the face of insider and external threats. Absolute's patented Persistence technology is already embedded in the firmware of more than one billion PC and mobile devices and trusted by over 15,000 customers worldwide.
