C-COM REFILES 2018 FINANCIAL STATEMENTS AS A RESULT OF AN ADMINISTRATIVE CORRECTION

OTTAWA, April 29, 2019 – C-COM Satellite Systems Inc. (TSXV: CMI) today announced, that it has refiled its financial statements for the year ended November 30, 2018 to correct a date in the audit opinion. C-COM's year end results and the financial statements themselves were not changed or affected by the correction to the audit opinion.

About C-COM Satellite Systems Inc.

C-COM Satellite Systems Inc. is a leader in the development, manufacture and deployment of commercial grade mobile satellite-based technology for the delivery of two-way high-speed Internet, VoIP and Video services into vehicles. C-COM has developed several proprietary Mobile auto-deploying (iNetVu®) antennas that deliver broadband over satellite into vehicles while stationary virtually anywhere where one can drive. The iNetVu® Mobile antennas have also been adapted to be airline checkable and easily transportable. More than 7000 C-COM antennas have been deployed in 103 countries around the world in vertical markets such as Oil & Gas Exploration, Military Communications, Disaster Management, SNG, Emergency Communications, Cellular Backhaul, Telemedicine, Mobile Banking, and others. The Company's satellite-based products are known worldwide for their high quality, reliability and cost-effectiveness.

C-COM is also involved in the design and development of a new generation of Ka-band (communications on the move) antennas, which will deliver satellite broadband solutions into vehicles while in motion. More information is available at: www.c-comsat.com

iNetVu® is a registered trademark of C-COM Satellite Systems Inc.
