**Great Atlantic Resources Proud to Be Gold Sponsors
2023 Exploration, Mining And Petroleum (EMP)
New Brunswick Conference**

VANCOUVER, British Columbia – October 26, 2023 - GREAT ATLANTIC RESOURCES CORP. (TSXV:GR) (the “Company” or “Great Atlantic”) is pleased to announce it’s representatives will be attending the upcoming 2023 Exploration, Mining and Petroleum (EMP) New Brunswick Conference being held at the Delta Hotel in Fredericton, New Brunswick during Sunday, October 29th to Tuesday, October 31st.

"We're thrilled to be Gold Sponsors at the 2023 Exploration, Mining, and Petroleum New Brunswick Conference. At Great Atlantic, we see limitless potential in New Brunswick's diverse mineral landscape, from gold to rare earth elements. Our dedicated team is excited to connect with shareholders, investors, and industry experts to share our vision for the future. Let's explore, mine, and fuel progress together!" States Great Atlantic CEO Chris Anderson

Great Atlantic has mineral claims in various regions of New Brunswick with an exploration focus on a variety of commodities including gold, silver, antimony, cobalt, nickel, copper, lead, zinc, vanadium and rare earth elements.

We look forward to seeing you at the conference.

On Behalf of the board of directors

“Christopher R Anderson”

About Great Atlantic Resources Corp.: *Great Atlantic Resources Corp. is a Canadian exploration company focused on the discovery and development of mineral assets in the resource-rich and sovereign risk-free realm of Atlantic Canada, one of the number one mining regions of the world. Great Atlantic is currently surging forward building the company utilizing a Project Generation model, with a special focus on the most critical elements on the planet that are prominent in Atlantic Canada, Gold, Copper, Zinc, Nickel, Cobalt, Antimony and Tungsten.*

This press release includes certain statements that may be deemed “forward-looking statements”. All statements in this release, other than statements of historical facts, that address future exploration drilling, exploration activities and events or developments that the Company expects, are forward looking statements. Although the Company believes the expectations expressed in such forward-looking statements are based on reasonable assumptions, such statements are not guarantees of future performance and actual results or developments may differ materially from those in forward-looking statements. Factors that could cause actual results to differ materially from those in forward-looking statements include exploitation and exploration successes, continued availability of financing, and general economic, market or business conditions.

Neither TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.
