Great Atlantic Resources Announces Financing

VANCOUVER, British Columbia – July 3, 2024 - GREAT ATLANTIC RESOURCES CORP. (TSXV.GR) (the “Company” or “Great Atlantic”), is pleased to announce that it has arranged a non-brokered private placement of up to 1,500,000 flow through units at a price of \$0.05 per share for gross proceeds of \$75,000. Each Flow-Through unit consists of one common share that qualifies as a “flow-through share” as defined in subsection 66(15) of the Income Tax Act and one-half share purchase warrant. Each whole warrant will entitle the holder to purchase one additional non-flow common share at the price of \$0.08 for 60 months after closing.

The offering is being completed by a strategic investor that has been a longtime shareholder.

The net proceeds from the Offering will be used for exploration expenses on the Company’s mineral properties in Atlantic Canada.

A finder's fee may be paid to eligible finders in accordance with the TSX Venture Exchange policies. All securities issued pursuant to the offering will be subject to a hold period of four months and one day from the date of closing. The offering and payment of finders' fees are both subject to approval by the TSX-V.

The flow through shares will qualify as flow-through shares (within the meaning of Subsection 66(15) of the Income Tax Act (Canada)). An amount equal to the gross proceeds from the issuance of the flow through shares will be used to incur eligible resource exploration expenses which will qualify as (i) Canadian exploration expenses (as defined in the Tax Act), and (ii) as flow-through critical mineral mining expenditures (as defined in Subsection 127(9) of the Tax Act).
