

Participation in the Euronext Star Conference 2022

Pesaro, 25 March 2022 – Biesse participated today -in a virtual form- in the conference organized by Borsa Italiana Euronext Star Conference 2022 reserved for companies included in the STAR segment. On this occasion the management of Biesse had the opportunity to share with investors and analysts - Italian and foreign - its strategies and activities. In particular, regarding the ongoing conflict, the Biesse management specified that the Group has a limited exposure to the countries involved in the war (Russia, Ukraine and Belarus) and/or directly affected by the UE sanctions. These three countries together are, representing a very limited percentage of the total Group backlog (only sales). Nevertheless we do not expect at the time being tangible economic-financial impacts, Biesse is constantly monitoring any possible evolution of the events, potentially affecting the business. In support of today's meetings, the presentation used will be available on our website www.biessegroup.com investor relations area and deposited in the appropriate storage site www.1info.it.

Biesse Group is multinational leader in technology for processing wood, glass, stone, metal, plastic and composited materials. It designs, manufactures and distributes machines, integrated systems and software for manufacturers of furniture, door/window frames and components for the constructions, ship-building and aerospace industries. The Group realizes around 85% of the total turnover outside Italy, in more than 160 countries, using 13 premises and with a direct presence in the main world markets. Its customers include some of the most prestigious names in Italian and international design. Founded in Pesaro in 1969 by Giancarlo Selci, Biesse has been listed in the STAR segment of the Italian Stock Exchange since June 2001. It actually has more than 4,300 employees distributed all over the world.
