

NTG Clarity Announces Work Valued at \$12.3 Million

Toronto, ON / Newsfile Corp. / April 9, 2026 / NTG Clarity Networks Inc. (TSX.V:NCI, OTC Pink: NYWKF); NTG Clarity (“NTG”) is pleased to announce it has received new purchase orders (“POs”) and contract renewals totaling approximately \$12.3M CAD, showing a continued demand for services and products despite conflict in the region.

- **\$12M in contract renewals, expansions, and related purchase orders with existing customers including:**
 - **\$5.5M in purchase orders for offshore software development services.**
 - These POs represent billings against the previously announced \$22M three-year framework contract announced in December 2024.
 - **\$3.5M in renewed POs and contracts for offshore and onsite software development services.**
 - Several of these renewals include an increase in the number of contracted resources.
 - **\$3M in purchase orders for offshore and onsite software development services.**
 - These POs represent billings against the previously announced \$53M three-year framework contract announced in August 2024.
- **\$280K in new purchase orders for NTGapps for an existing Finance customer.**
 - Representing a new engagement within an existing client relationship.

“Clients who have worked with us continue to extend their contracts and give us a larger share of their technology budgets. That dynamic is reflected clearly in today's announcement. Renewals are coming in, orders against our major framework agreements are ramping, and the digital transformation mandates underpinning our business continue to move forward,” said Adam Zaghloul, Vice President of Strategy & Planning. “The business case for digital transformation and economic diversification in the Gulf has only been reinforced by the current regional volatility, and our clients' continued commitment reflects that.”
