Terry Matthews Appointed to the Board of Directors

May 4, 2017 – Real Time Measurements Inc. (the "**Company**") – The Board of Directors of the Company are pleased to announce the appointment of Terry Matthews as a director. The appointment was effective on April 28, 2017.

Mr. Matthews brings over 30 years of technical, business development and management experience in both the domestic and international oilfield service industry. He is one of the original founders of the Company and has in the past held a number of positions within the Company including President.

Next Steps

The Company continues its efforts to raise additional equity to pay interest, fund its operations and re-finance other outstanding obligations or to seek to enter into another transaction in order to seek to maximize value for all stakeholders. The Company is currently generating positive cash flow and is in compliance with the debt settlement announced on September 15, 2016.

The Company will remain on the NEX Exchange until the Company once again meets the TSX Venture Exchange minimum listing requirements.

The Company wishes to express its thanks to all shareholders for their support and patience over the past several years.
