Rai Way S.p.A.

Rai Way is a digital infrastructure operator and a provider of services for content distribution.

It is the only operator of the radio and television broadcasting networks that carry the signals of RAI, Italy's public service broadcaster.

Rai Way has an extensive presence throughout Italy with around 600 employees at its headquarters in Rome and 21 regional offices, more than 2,300 telecommunication towers, a transmission network of radio links, satellite systems, around 6,000 km of proprietary fibre optics, a network of distributed data centres and 3 control centres.

Its infrastructural assets, the excellence of its technological and engineering know-how and the high level of professionalism make Rai Way the ideal partner for companies seeking integrated solutions for the development of their network and for the management and transmission of data and signals.
