

LQWD Technologies Corp. Joins MicroStrategy Led "Bitcoin for Corporations" Initiative as Executive Member

Vancouver, British Columbia--(Newsfile Corp. - December 4, 2024) - LQWD Technologies Corp. (TSXV: LQWD) (OTCQB: LQWDF) ("LQWD" or the "Company"), a leader in enterprise-grade Bitcoin Lightning Network infrastructure, proudly announces its membership as an Executive Member in the esteemed Bitcoin for Corporations initiative, founded by industry giant [MicroStrategy](#) and [Bitcoin Magazine](#) to accelerate corporate Bitcoin adoption.

Through [Bitcoin for Corporations](#), LQWD gains strategic access to resources and partnerships that support Bitcoin adoption and innovative corporate implementations and strategies.

This collaboration fully aligns with LQWD's mission to enhance global transaction efficiency, leveraging the power of Bitcoin's Lightning Network for instant, low-cost internet-powered payments at mass scale. Moreover, this reflects LQWD's dedication to pioneering advancements in Lightning Network infrastructure and increasing the Company's bitcoin-per-share on the balance sheet.

About LQWD Technologies Corp.

LQWD Technologies Corp. is a Canadian-based, publicly traded company committed to expanding its Bitcoin Lightning Network transaction infrastructure and liquidity-on-demand services. Our infrastructure enables instant, low-cost, global internet-powered payments at scale. LQWD provides scalable solutions for the open payments market, delivering enterprise-grade infrastructure to support the rapid growth of the Lightning Network. LQWD is debt free, holding 141 Bitcoin with an ongoing Bitcoin accumulation strategy.

For more details, please refer to LQWD's [corporate presentation](#) and stay updated on our Lightning Network node growth or [connect](#) to the Company's nodes in real time.

Forward-Looking Statements

This release contains "forward-looking information" within the meaning of applicable securities laws relating to the Company's business plans and the outlook of the Company's industry. Although the Company believes, considering the experience of its officers and directors, current conditions and expected future developments and other factors that have been considered appropriate, that the expectations reflected in this forward-looking information are reasonable, undue reliance should not be placed on them because the Company can give no assurance that they will prove to be correct. Actual results and developments may differ materially from those contemplated by these statements. The statements in this press release are made as of the date of this release and the Company assumes no responsibility to update them or revise them to reflect new events or circumstances other than as required by applicable securities laws.

Neither the TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this

release.

This release shall not constitute an offer to sell or the solicitation of an offer to buy the Units, nor shall there be any sale of the Units in any jurisdiction in which such offer, solicitation or sale would be unlawful prior to the registration or qualification under the securities laws of any such jurisdiction. The Units being offered will not be, and have not been, registered under the United States Securities Act of 1933, as amended, and may not be offered or sold within the United States or to, or for the account or benefit of, a U.S. person.
