Re: **Puma Exploration Inc. (the "Company")**
New issue by way of a final prospectus dated December 2, 2004

I am the author of the technical reports titled "*Propriété Butterfly, Rivière Echimamish, Manitoba (NTS 63I/6, 7)*", dated October 25, 2004, "*Propriété Edmund, Manitoba (NTS 53K/10, 11, 14)*", dated September 17, 2004 and "*Propriétés Goose (NTS 53L/1, 2, 7 et 8) et Ponask (NTS 63H/10, 15), Manitoba*", dated September 17, 2004 (the "Reports") referred to in the final prospectus of the Company dated December 2, 2004 (the "Final Prospectus"). I have read the Final Prospectus and confirm that:

- (a) I hereby consent to the use of my name and to the filing of the Reports; and
- (b) I have no reason to believe that there are any misrepresentations in the information contained in the Final Prospectus that are either derived from the Reports or that are within my knowledge as a result of the investigations and enquiries made by myself in connection with the preparation of the Reports; and
- (c) The section headed "Exploration Properties in Manitoba" in the English version of the Final Prospectus and the section headed "Propriétés en financement au Manitoba" in the French version of the Final Prospectus, fairly and accurately summarize the Reports and omit no material information contained in the Reports.

Yours truly,

(s) *Georges Beaudoin*
Georges Beaudoin, P.Geo., Ph.D.
