Noble Iron Announces Appointment of Chief Financial Officer

June 7, 2019 - San Francisco, CA – Noble Iron Inc. (TSX Venture: NIR) announced the appointment of Mariam Chaudhry as the company's Chief Financial Officer, effective June 7, 2019.

Mariam joined Noble Iron as a Controller in November 2018, and previously worked in senior finance roles at companies in business process outsourcing, digital media, real estate and property management.

Mariam is a Chartered Professional Accountant in Canada. She holds a Bachelor with Honors degree from Oxford Brookes University and Chartered Certified Accountant and Chartered Management Accountant certifications in the UK.

Nabil Kassam, Noble Iron's Chairman and CEO, stated, "Since Mariam joined Noble Iron, she has demonstrated leadership, humility, willingness to embrace change and challenges, and a desire for life-long learning. We are honored to have Mariam on the team and look forward to working together to continue building a remarkable organization."

Mariam replaces Nabil Kassam, who has acted as the interim Chief Financial Officer during the company's search for a permanent replacement.

More information about Noble Iron can be found under the company's profile at www.sedar.com.

About Noble Iron Inc.

Noble Iron is a technology company that offers software applications and services to construction, industrial and other equipment rental companies, owners, and users to manage their business and equipment's life cycle.

Texada Software, a wholly owned subsidiary of Noble Iron, offers cloud or client-based software applications for equipment rental companies, equipment dealerships, construction companies, general contractors, and equipment operators, including mechanics, logistics and service technicians. Texada's products manage the entire asset lifecycle, including equipment purchasing; rental and sales transactions; inventory location, utilization, maintenance and depreciation tracking; used equipment sales and disposals analysis; and inventory replenishment analysis. Texada is the provider of industry-leading technology FleetLogic, a mobile field service and logistics management platform, SRM (Systematic Rental Management), a complete management software for scaling rental businesses, and GateWay, an online store and mobile e-commerce app for customers and sales teams. For more information, visit www.texadasoftware.com or call (800) 361-1233.

Noble Iron can be reached at (866) 762-9475, or at www.nobleiron.com.

This news release may contain forward-looking statements which reflect the Company's current expectations regarding future events. The forward-looking statements are often, but not always, identified using words such as "seek", "anticipate", "plan", "estimate", "expect", "intend" and statements that an event or result "may", "will", "should", "could" or "might" occur or be achieved and other similar expressions. These forward-looking statements involve risk and uncertainties, including the difficulty in predicting acceptance of and demands for new products, the impact of the products and pricing strategies of competitors, delays in developing and launching new products, fluctuations in operating results and other risks, any of which could cause results, performance, or achievements to differ materially from the results discussed or implied in the forward-looking statements. Many risks are inherent in the industries in which the Company participates; others are more specific to the Company. The Company's ongoing quarterly filings should be consulted for additional information on risks and uncertainties relating to these forward-looking statements. Investors should not place undue reliance on any forward-looking statements. Management assumes no obligation to update or alter any forward-looking statements whether as a result of new information, further events or otherwise, other than as required by law.
