About Rocmec Mining Inc.
Rocmec Mining Inc. is a Canadian junior exploration company actively involved in the acquisition, exploration and development of precious metal projects. The Company's exclusive thermal fragmentation process combined with its growth strategy place it as the partner of choice for the development of narrow high-grade precious metal quartz vein properties. The Company is listed on the TSX-Venture exchange and trades under the symbol: RMI

The company's growth strategy is to focus on the development of quality assets that will significantly enhance shareholder value. The exploitation of narrow high-grade vein deposits with its exclusive thermal fragmentation process should enable the Company to demonstrate the economic plus-value of this technology. The acquisition, development and future exploitation activities at the recently acquired Rocmec I (Russian Kid) property subscribe to this objective.
