NEWS RELEASE

NEUTRISCI CLOSES PRIVATE PLACEMENT

Vancouver, British Columbia – July 17, 2015 – NeutriSci International Inc. (the "Company" or "NeutriSci") (TSX-V: NU) announces that it has completed a non-brokered private placement in which it raised gross proceeds of $400,000. In connection with the offering, NeutriSci issued 2,222,223 common shares at a price of eighteen cents per share.

All securities issued in connection with the private placement are subject to a hold period until November 18, 2015. In connection with closing, the Company has paid a cash finder's fee of $15,754 for subscriptions from qualified investors introduced to the Company.

The Company intends to use the proceeds of the financing for marketing, to build inventory of NeuEnergy™, and for general working capital purposes.

NeutriSci's President Glen Rehman stated, "NeuEnergy™ is a revolutionary energy tab designed to deliver enhanced focus and mental clarity with no sugar, no calories and no crash associated with typical energy products. As we continue to expand our North American and global distribution initiatives, our marketing push is focussing on the fact that NeuEnergy™ is at the forefront of change in consumer related energy products by providing consumers with a much needed alternative to the highly caffeinated energy product industry."
