NEUTRISCI ANNOUNCES 1st CANADIAN DISTRIBUTION AGREEMENT AND INITIAL ORDER WITH 7-ELEVEN CANADA

Vancouver, British Columbia – January 19, 2016 – NeutriSci International Inc. (the "Company" or "NeutriSci") (TSX-V: NU) the innovator and pioneer behind NeuEnergy™, announces its first Canadian distribution agreement with **7-Eleven** Canada.

7-Eleven is an international chain of convenience stores that operates, franchises and licenses some 56,400 stores in 18 countries including 503 corporately owned and operated stores in Canada. 7-Eleven Inc. is headquartered in Dallas, Texas, U.S.A.

Starting at the end of February 2016, NeutriSci will ship the first Canadian orders of NeuEnergy™ to all 7-Eleven national distribution centers (Vancouver, Calgary and Toronto). 7-Eleven has indicated that all stores in Canada will be receiving product from this initial order, with subsequent weekly orders to follow beginning in the second week of March 2016.

NeutriSci President Mr. Glen Rehman stated, "This new distribution agreement represents a major step forward for NeutriSci and NeuEnergy. This partnership provides consumers all across Canada with a trusted retailer from which they will be able to purchase NeuEnergy. We couldn't be more excited about the long term potential of this agreement for both the direct revenue and the further distribution agreements that will ultimately follow from other Canadian retailers. We see this partnership as a very solid base in our global retail distribution program; driving strong revenues and establishing international brand recognition."

NeuEnergy™ is a revolutionary energy tab designed to deliver enhanced focus and mental clarity with no sugar, no calories and no crash associated with typical energy products.
