About Therma Bright Inc.:

Therma Bright is a progressive medical device technology company focused on providing consumers with quality medical devices that address their dermatological needs. Clear and healthy skin for all is at the core of the Company's philosophy as is the belief that such outcomes should not be a privilege for only those who can afford costly procedures and treatments. The Company's breakthrough proprietary technology delivers effective, non-invasive and pain free skin care.

Therma Bright received a Class II medical device status from the FDA for its platform technology that is indicated for the relief of the pain, itch, and inflammation from over 20,000 different insect stings and bites, (including bees, wasps, hornets, mosquitoes, black flies and jellyfish). The Company received approval for the above claims from FDA (United States) in 1997.
