## **Arctic Star Appoints Buddy Doyle as Executive Chairman**

**May 8, 2025 – Vancouver, British Columbia – Arctic Star Exploration Corp. (“Arctic Star” or the “Company”)** announces that Buddy Doyle, currently VP of Exploration and director, has agreed to take on the role of Executive Chairman. As part of his role Buddy Doyle will be given the responsibility of running the day to day operations and administration of the company. Patrick Power will remain as CEO and focus on Financing, Investor Relations plus Business Development. As part of these changes the company has accepted Patrick Power’s resignation as director. This is all part of the continuing reorganization of the company, with the goal of financing and drill testing our two main assets, the Diagrass project in NWT and our Timantti project in Finland.

### **About Arctic Star**

Arctic Star is predominantly a diamond explorer, recently discovering 5 new kimberlites in the prolific Lac De Gras kimberlite field that supports 2 multi-billion dollar kimberlite mining complexes. The Company also has a 958 Ha Exploration permit containing several diamond-bearing kimberlites on its Timantti project, Kuusamo Finland.

ON BEHALF OF THE BOARD OF DIRECTORS OF  
ARCTIC STAR EXPLORATION CORP.
