About Centric Health

Centric Health is Canada's largest and most comprehensive independent provider of healthcare services focused on producing leading patient outcomes and delivering quality, innovation and sustainable value to patients, clients and stakeholders. With more than 3,000 dedicated healthcare professionals, consultants and support staff serving patients and clients through an extensive platform of 500 locations across the country, Centric Health is uniquely positioned to meet growing healthcare needs in key markets. The Company's long-term strategy focuses on organically growing core high-margin business units with strong profitability and targeting select expansion opportunities to further its national reach in the areas of physiotherapy, rehabilitation and assessments, specialty pharmacy services and surgical and medical centres. Centric Health is listed on the TSX under the symbol CHH. For further information, please visit www.centrichealth.ca.

This press release contains statements that may constitute "forward-looking statements" within the meaning of applicable Canadian securities legislation. These forward-looking statements include, among others, statements regarding business strategy, plans and other expectations, beliefs, goals, objectives, information and statements about possible future events. Readers are cautioned not to place undue reliance on such forward-looking statements. Forward-looking statements are based on current expectations, estimates and assumptions that involve a number of risks, which could cause actual results to vary and in some instances to differ materially from those anticipated by Centric Health and described in the forward-looking statements contained in this press release. No assurance can be given that any of the events anticipated by the forward-looking statements will transpire or occur or, if any of them do so, what benefits Centric Health will derive there-from.
